Welcome

In 2017, the Renmark Rose Festival will celebrate its 23rd year as one of the region’s largest and most supported festivals. Since its humble beginnings in 1994, the Rose Festival has evolved into a major event and today runs for 10 days, spans towns across the Riverland and provides a range of events and attractions.

Each year the Rose Festival Committee is committed to looking at new and exciting initiatives to complement the existing festival’s events and activities and the festival has a constantly changing array of open gardens to enjoy, spread out over numerous towns throughout the Riverland. In this, we hope to keep the Renmark Rose Festival as fresh and vibrant as our wonderful roses.

The Renmark township’s rose gardens provide a spectacular backdrop and are immaculately presented during the Rose Festival thanks to the Renmark Paringa Council. There are 51 garden beds consisting of in excess of 3,500 rose bushes spread throughout the town and it is well worth taking a walking tour to discover them.

The Renmark Rose Festival is a celebration of the region and its communities. It is an opportunity to showcase the region’s produce, enjoy our spectacular weather and experience the beauty of the magnificent Murray River. Be welcomed by our diverse multicultural community and experience our friendly and accommodating hospitality.

Whether you are a Riverland local, a visitor from within South Australia, one of our many interstate visitors or even visiting from overseas, we invite you come and enjoy our Festival.

The 2018 Festival will be held from Friday 19th to Sunday 28th October
Soak up spectacular Spring blooms at this year’s Riverland Open gardens.

The Riverland Open Gardens is one of the premier events of the Renmark Rose Festival and each year the Riverland public open up some of their wonderful gardens for people to visit. In 2017 the region is again represented, with open gardens from Renmark, Loxton, Berri, Winkie, Glossop and Monash.

You are invited to view the open gardens during their advertised opening times as shown on page 9 and to appreciate the time and effort the owners take in presenting their properties. Many of the gardens politely ask for a small $2 donation with a significant amount of money raised being donated to a range of charities.

Open Garden Signage

Any garden taking part in the Festival Open Gardens will have an “OPEN GARDEN” sign on display.

Due to unforeseen circumstances on any given day a garden may not be open at advertised times. We ask that you show respect and do not enter any garden not displaying one of our signs.

Thank you – Committee

**Bianca Halliday**
Bianca Halliday, 27, from Renmark. Florist by trade, wine drinker, puppy enthusiast. After 3 years in Adelaide taking advantage of being close to the airport and travelling to every country my credit card has allowed, I moved back to Renmark in 2016 to take on the role of Sales Manager at Tri State Graphics. On weekends you’ll find me walking along the river with my dachshund, David. Charity I’m supporting: Camp Quality. I became a volunteer with Camp Quality in 2017 and look forward to assisting this wonderful organisation to bring optimism to children living with cancer and their families.

**Brittany Evins**
The Riverland has always held a piece of Brittany’s heart, being brought up with a shack in Swan Reach her passion for the region has only blossomed after moving to live in Paringa. Brittany’s love for talking, photography and meeting new people is highlighted through her work as a journalist with the local ABC. In her free time, Brittany loves water skiing and exploring South Australia’s wilderness and culture. Brittany has chosen to support the Riverland Suicide Prevention Network, a local initiative empowering, educating and saving our communities lives.

**Sara Gilligan**
I moved from the Adelaide Hills to the Riverland about two years ago to pursue a career in journalism and I haven’t looked back. After studying at the University of South Australia, I have worked at The River News in Waikerie, and now the Murray Pioneer in Renmark. I’ve made many friends in the Riverland and enjoy watching local football, participating in dance classes and tasting the region’s fine wine and produce. I hope to raise money and awareness for the Riverland Domestic Violence Service and to be a good role model for female members of the community.

**Kaitlyn Cook**
Hello, my name is Kaitlyn. I’m 19 and I work for 23rd Street Distillery. I have grown up in the Riverland and am a country girl at heart. I love camping and fishing along our beautiful River Murray. I was a dancer for Rosie Clark’s Dance Studio for 15 years and I grew up with a passion for performing and helping other people. I am now a volunteer firefighter with the Barmera CFS brigade. I have chosen to fundraise for Ronald McDonald House Adelaide because they provide a home for families with chronically ill children. Many times they have provided my family with a home and I believe it is time to help them out, like they have helped us and many other families.

**Samantha Murphy**
My name is Samantha Murphy. I’m a Mum to an energetic 3 year old and I work part-time at Ruston’s Rose Garden, Function Centre and Thai Restaurant. Since starting at Ruston’s my knowledge and interest in roses has grown. Also knowing what an event like the Renmark Rose Festival brings into our community are the main reasons I wanted to become an ambassador for the 2017 event. I believe in putting back into the community. I have chosen the Make a Wish Foundation as my charity. This amazing organization allows children to forget that they are sick and just be a kid again even if it’s just for one day.
